August Monthly Report (07/01/03 - 07/31/03)

Dear Ms. Phillips:

Please be advised that the contribution our committee received from the DNC was disclosed on their committee's June Monthly report on line 21b.

Please be advised that Line 15 of our report discloses payments from federal candidate committees for goods and / or services provided by EMILY's List at the usual and normal charge for the goods and / or services provided. The method the Committee uses to determine the usual and normal charge(s) is fair market value.

With reference to corresponding memo disbursements on schedule B line 23 for earmark contributions EMILY's List recently changed its compliance software. Our Committee will now file an amended FEC report to reflect all earmarked and bundled contributions. We are also amending our August Monthly report line 23 to accurately designate the earmarked contributions for the 2004 Primary Elections.

Please be advised that EMILY's List is amending its August Monthly report H3 schedule to accurately identify the nonfederal account for each transfer.

With reference to schedule H4 and the refund from Media Strategies & Research, please be advised that our original payment to them was on 10/31/02. This payment was reported on the H4 schedule of the November 02 Monthly report and thus the refund is appropriately reported.

If you require further information or clarification, please contact me at (202) 326-1400.

Sincerely,

Caroline C. Fines
Assistant Treasurer
